REGULAR REPORTS

Membership, Registration & Administration;

We now have 38 members. Hope to open registration soon for the Twin at the end of the month in Rantoul. As of the third we will be allowed to have 10 people at an event, Phase three is to be 50. Hoping we will get at that by Rantoul.

Equipment, Property & Technology;

Megan not present but she did advise she is still working on the Covid19 Guidelines.

Need to make sure we get isopropyl alcohol for sanitizing things such as microphones for announce, etc as well as hand sanitizer. Advise people to bring their own PPE. If they do not bring they may be turned away from the event as masks are required. Exercise social distancing. There were a few events the past weekend by other clubs where they were rather relaxed on following guidelines. We will be enforcing these guidelines, or you will not be returning to race with us.

For Autobahn if you do not have mask you will not even be able to get through the gates. You will also have to sign a Covid 19 waiver.

Schedules & Sites;

We are tentatively scheduled for Track Sprint June 20th, AutoX June 27th & 28th. Dave will check with Enterprise in Bolingbrook this week about truck rental for Rantoul.

If we can give the trailer a once over on the 20th before track sprint, bring a grease gun to grease the bearings, fire up the generator make sure it starts, check the tires, etc.

Trophies; Nothing new

Sponsors; Nothing new

Event Review; None

New Business/Old Business;

Discussed people bring gloves for doing cones, bring hand sanitizer. Pick up a box of gloves and sanitizer for corner station and the trailer in case someone needs some.

Working on E-Waiver so no one will need to pass clip boards and pens. We think it is up and running but may have to pay extra to MSR for that.

Where will we set up registration for Track Sprint? Will it be the Tech Garage? We will do the 6 feet apart. Autobahn has network access for Wifi.

Announce person can bring their car up near the trailer and announce from their car.

We will also have season tech for club members/SCCA or TSSCC.
