REGULAR REPORTS

Membership, Registration & Administration;

We currently have 17 members registered.

Equipment, Property & Technology;

We need to make sure we get licensing squared away with Chicago Region on Pronto as to who is to pay the bill this year. No one has done since last meeting that we are aware of. Question who is the person to reach out on this? Believe Chris Perry is in the know. Will need to confirm.

Chris Perry please ask Chicago Region about trailer use at least for the Rt 66 events.

Schedules & Sites;

Blackhawk offering a Monday night June 28. This has been confirmed. (Need to know what equipment we will need to transport for this event. Will the Bealls be needed)

July 2nd there is a lot going on, Hagerty Autobahn event. It is the same week as the June 28 track sprint on Monday at Blackhawk. Not sure how this all fits together for us and the people we draw.

Would like Chris Perry's input on the dates and events going on. Asked Heather to share her calendar with the club chat.

Trophies; Christopher D'Alessio says there has been discussion on what types of jackets. Have not had many responses on sizes yet. He is going to see if he can get some samples but has not had the time to reach out to anyone yet. Looking for jackets for members.

Sponsors; Nothing new.

Event Review; No events to review.

New Business/Old Business;

Dave, Pete, Erik & Jerome need to get together to sign off for changes on the bank account, hopefully this will be able to be done next week when Pete is in town.
