Regular Reports

- Membership & Registration- We are now up to 14 people who have season pre registered and we have 37 members registered.
- Equipment & Properties- Paperwork has been printed up & is ready to place in the equipment trailer for corner workers etc. Discussed again checking pylons and agreed to purchase 100 new and get rid of like amount. We have a good supply of radios but can use two more which Erik will order. We are also in need of new clip boards which Bob will pick up approximately 4 new ones.
- Technology- no new reports, all is good.
- Schedules & Sites- Bob has had questions for our contact at Alexian and has been unable to reach them and now all phones have been disconnected. It looks like we will have to find a new location for those two dates and will probably be split between Toyota Park & Sears Centre. We asked for volunteers to chair the different events with the reminder that those who chair also get to come up with a logo for your event as well as the course. The first and last events will be chaired by the board. Those are both at Toyota park for 5/15 & 9/11, Sears Centre 5/22 Wes Jenrich & Paul Kolatorowicz, Looking for someone to step up and take Sears Centre for 6/12, Maywood Park 6/27 Barowskis, Sears Centre 7/24 Janulis People, Event 6 8/14 & Event 7 8/28 to be determined. Iggy has also advised he will chair but right now cannot commit to a date.
- Trophies-Erik polled the crowd and dark colored shirts are the preference.
- Sponsors-Several members have had problems at Discount Tire depending on the location and them not being able to confirm our discount. Bob will call our

contact to discuss as this information was supposed to be available to them on their corporate website. David advised he has been working with P&L Motorsports in Franklin Park, they are a performance shop. He has also been trying to work with Weather Tech. Auto Meter said to contact them next season. Bob has not had the opportunity to get with Napa. Erik has been working with K&N Magnetics on their web site and you can now see them on your iPhone. And can we just say thank you to Tenant Photography who has sponsored us for 13 years!!! AWSOME! Go on line and check out all the great photos.
