Old Business

- An E-Flyer went out to all of Discount Tire locations about our club discount. We received an apology for the difficulties members have been having. . Bob will have coupons available at first event. . Erik, Mike, Chris & Bob will put course together for first event at Toyota Park on May 15th.

Reminder that we have to keep noise down & racing cannot start until 10 o'clock but we do still need people there early to set up.

- Reminder that nobody can paddock next to grid.

New Business

- A forum of Nissan Z owner/drivers are interested in coming out & checking out our events. We discussed if they wanted to come out & it is reoccurring we can do a class where they are running against each other.
- Discussed teaming up with other clubs and possibilities to co host an occasional event, but instead of two registrations would do sub class & registers w/us as a special interest class.
- Discussion came up about being civil w/people on & off the course. There was some feedback received that we were not very nice people. We were reminded not to yell but you can be stern about safety without yelling or being rude. Just be cautious how you approach people.
- Underground Auto Sports will be having an open house on May 14th in Hoffman Estates. They will be touted at our events but not an official sponsor this year. Will see what kind of reception he receives and see about sponsorship next season.

Announcements
