

Meeting Minutes

09 06 2011

Call to Order time 7:32pm 21 present, Bill Ok'd

Board Reports

- Secretary - Not Present, Mike Razny filled in
- Treasurer - Paypal ~741, Checking account ~8,619
- Director – not present
- Vice President – Congratulated our membership's performance at Nationals, particularly the WES, the Borowskis, and other friends of TSSCC. General announcement to remember that even with comments online, that the membership is representing the club. That said, thus far there is no issues popping up yet through the facebook group for TSSCC.
- President - Keeping on...

Regular Reports

- Membership and Registration – no notes
- Equipment and Properties – new hitch is working well for the truck. The Portable Radio is working well now thanks to Ryan. Bob is looking for a soddering iron for some final tweaks. We're looking to get rid of bad cones at the finale, Bart has asked if some donations could be made for ice racing.
- Technology – points coming shortly. Some comments came up about how to do the drops. Though some confusion, the membership seemed to like the idea of refining the points to be more like the Chicago region's display of current status.
- Schedule and Sites – Bob has been in touch with Lake County Fairgrounds. There might be some ground to gain there.
- Sponsors – Thanks as always to Keith Tennant. New stuff to be put on the trailer is coming.
- Trophies – not brought up at the meeting.

Old Business

Nothing to cover that wasn't already covered.

New Business

Event Review!

Alexian x2 – Survived the no Port-a-Potties issue for the first of the two events. Bob reiterated how last second some of it turned out to be thanks to the new management's confusion. Greg informed the membership that there is less grip at Alexian, as confirmed with his data-logging.

We had some Miata people attempt to drive into our hot grid. Apparently the confusion came because that is where the WCMC was doing paddock for their event the day before. Membership was alert and didn't allow an issue to form. A general note was made to be nice to our workers even if you're having a rough day.

Upcoming – Our Finale is coming up! Wes Jenrich, Tony Cambio, and Paul Kolatorowicz volunteered to help out with setup after Bob mentioned that he'd much rather focus on trailer setup and getting the day going than course setup. Mike Razny will represent the Board's interest in the course setup.

Banquet – Bob again talked of help, and that he would gladly MC. The date is confirmed! November 13th, at noon at Monty's Elegant Banquets.

Announcements

Bill Crawford is looking for a co-drive for the final few events between TSSCC and CR, since the F Mod broke an axle. When pushed about his MR2, he reiterated that he is looking for a competitive car, since he believes his MR2 to not be...
