Regular Reports

- **Membership, Registration & Administration-**Nothing new to report.
- **Equipment, Properties & Technology** –Aruch working with Chicago Region on transmitters. There were prior discussions about the use of the spare computer being used to view times by the masses. It was confirmed that it would be possible for someone to change times. Ryan Weddle he can look and see if there were any settings that could be changed. He will do some research. Bob will take everything in the trailer apart and clean it out. He is looking for someone with some carpenter skills to help devise some shelving or cabinets. It was suggested to maybe put in some indoor/outdoor carpeting.
- **Schedule and Sites-**Our president asked for the opinion of those in attendance what they thought of a nine event season with six points races. Discussed that Saturday & Sunday events that Saturday always loses money and Saturdays are very expensive. Chicago Region is interested in doing a co event with us. Reviewed National events to try to work around when doing scheduling. Those mentioned were Lincoln on 5/26, Ohio 6/15, Blythville 7/6, Milwaukee 7/13 and Peru on 8/3. For TSSCC possibly do two events at Toyota Park and the rest of the season at Sears Center. Lake County Fair Grounds has been brought up in the past but may be too far North. It would be a good venue but there seems to be constant turnover of who to contact there making it very difficult to get anything accomplished.
- **Trophies-** Nothing new to report.
- **Sponsors-** The powers that be will be talking in depth with CJ Wilson.
- **Event Review-** Discussed how the 2012 Awards Banquet went. We had 62 attendees. The Greg Meier & Chris Gregor even was voted event of the year. We had great door prizes donated by our sponsors, George made up some great gift baskets, the Go Pro Hero cam was won by Molivouth Boulom, Team Gregor (the Gregor family) won 3 TSSCC events and one SCCA event,

K. George won one SCCA event, Nicolas Cherix won a TSSCC membership and Tom Beall won a TSSCC season reg which will be used for his daughter Savannah.

Old Business

- Ride alongs brought up yet again. Erik Vandermey confirmed that insurance says they have to be involved as a worker and pay for weekend registration.
- Discussed a rookie award or first time winner award.

New Business

- Discussed oversight of not recognizing Bob Lindsay for all of his dedication as our past president the prior year and all he has done for the club. It was suggested that Bob be given a lifetime membership with TSSCC. Everyone seems to like this idea and will be reviewed with all the board members as not everyone was in attendance.
