Sponsors – Thanks Keith for coming to the meeting. Underground Autosports is confirmed. A system is being considered for Brandon @ Underground to survey a member list. Until then, Brandon/the Member will just coordinate with Mike or Erik on proof of membership for discount. It was confirmed that the Elgin Discount Tire can order Dunlop ZII and BFG Rival Tires.

Event Review – Event 2 @ Sears Centre. 113 Drivers with Times. Achieved 7 runs. Overall it was received very well. Was described as “Open enough to hang yourself”. We need to be mindful of the angle of the start relative to the trailer. Trailer had issues occasionally seeing the numbers. Also noted to be mindful of the seal strips and where the cars will launch from.

Old Business – Nothing brought up to follow-up on

New Business – Live timing worked great. Mike will follow-up with the Hoffman Estates police about July 21<sup>st</sup> events limited parking capacity.

Corner Work was re-emphasized. Radio etiquette and process was less than ideal, a review of Radio operation with Corner captains was recommended. Heat 4 Corner 4 had reports of less than ideal work. Mike will review audit.

Announcements – Brad Lemont still has 4 15x6 winter wheels available for mazdas. See him for details.

Adjournment – 19:48
