### REGULAR REPORTS

#### **Membership, Registration & Administration;**

We currently have 17 members signed up for 2024.

For the Test N' Tune at Grissom on 4/20 there are 24 registered.

For Even #1 on Sunday 4/21 there are 17 registered.

INR is using our event #1 as their event #1. They just started sharing on their website and Facebook page. Kristin will start sharing "INR Invasion" as well.

#### **Equipment, Property & Technology;**

Tom will check with Darryl on status of tires on the Chicago Region trailer. He can also ask Darryl at that if he has a logo to use on the T-shirts as a sponsor or what he would like us to put on it.

We do have clearance to use the SCCA trailer for Grissom. We will leave the golf cart at BDR's base camp for the weekend.

Chicago Region was planning a trailer clean up for this weekend. David will confirm with Chris if this is still on, date & time and let us know. Denise will be there to help as well as check on our t-shirt counts for trophies at Grissom and how many t-shirts we have left from Track Sprint and will sell those to Chicago for their track sprint at \$10.00 per shirt. Denise reached out to Heather Ingraham to let her know the price. This information was obtained by pulling up the invoice from when we purchased them. Tom will arrange to deliver t-shirts to Heather as well as get a pad of waivers from her.

We went over the cost of the Truck Rental from Enterprise, \$305 down payment, another \$300 due at pickup for \$605.00. Includes 150 miles per day. Any additional miles are .39 per mile. It is 146 miles to Kokomo. Rough estimate of \$137.00 in fuel going down and \$105.30 coming back to leave the required amount of fuel in rental on return. Also fuel for generator. Club to advance Team Beall \$850.00 for these expenses.

We will need to use OUR TIMING EQUIPMENT & OUR PRINTER.

Tom asked if the plates are up to date on the SCCA trailer. David will ask Chris when he contacts him about the trailer clean up. Denise will make sure she is there for the trailer clean up. Depending on time Tim Raad will try to be as well.

Jerome will take care of paying for Pronto tomorrow and will submit to Chicago region SCCA for reimbursement.

Denise will reach out and arrange for the port o potties for Grissom and will have them email the invoice to the treasurer email. [treasurer@tsscc.com](mailto:treasurer@tsscc.com). We will be the first event at the site for the season.

### **Schedules & Sites;**

Grissom April 20<sup>th</sup> & 21<sup>st</sup> 2024 is less than three weeks away. The goal for Team Beall is to be there on Friday 4/19 by 5 pm to drop trailer on site.

We want everyone to be on site Saturday morning 4/20 at 8:30 am and setup in 30-40 minutes.

Ten am start.

Denise and Dave ecker will be able to do registration why T&T is being set up.

Mike Razny has school/class set up that will be going on throughout the day. We will have to be aware of those that are doing the class if they are doing a morning or afternoon session when doing worker assignments.

Will be a hard cut off at 4pm on Saturday so course can be set up for the Sunday autox event #1.

Kristen will make a Facebook post on Wednesday before the event with some locations to consider for dinner on Saturday night. If anyone wants to join, we are not paying for dinner but can make reservations and all get together to enjoy some fun stories and good food. Some past places have been Moe's River Room, Half Moon Brewing, and Cook McDoogal's Irish Pub. If anyone has any other ideas feel free to share.

Shawn Folks did advise the group that there is a baseball tournament going on that same weekend and a lot of the hotels are booking up. Christopher D'Alessio says contact him if you are going to book through Expedia as he can get 10% off discount coupons.

**Trophies;** Discussed that we do not have an update on sponsors for Trophy shirts yet. Unless we have someone that wants to sponsor and pay for the shirts in the next few days and have the artwork/sponsor logos we will have to work with what t-shirts we have left for Grissom. If we do not have a shirt size someone wants they can get a chit or can get a shirt when we place the order for the new ones when they come in. We believe we are out of smalls and large, may have only a couple of mediums and XL, XXL or XXXL.

**Sponsors;** Denise left another message for Omar at Dyna Tire before the meeting tonight to see if he is going to continue to be a Sponsor for 2024, Need to confirm with John at K&M, Dave will confirm with Chris Gregor. Denise will reach out to Underground Racing, Brandon Zeleski. Tom will speak to Darryl Dupree for a logo or what he wants us to put on the shirts.

**Event Review;** None
