### REGULAR REPORTS

#### **Membership, Registration & Administration;**

People have been renewing their membership. There will be an increase in the price per vent for RT 66 by \$5 an event. We are also confirming cost with Champaign County as they are having increases as well. This is all under review and will cause an increase in season pre-reg cost.

#### **Equipment, Property & Technology;**

Daryl Dupre has confirmed the new windows for the trailer have been installed.

We will hold off on new drop hitch for the trailer to be used with the rental trucks since it looks like we will only be towing the trailer to Grissom this season.

April 14<sup>th</sup> will be the trailer clean-up day at 10 AM. It will be out by Daryl's old location in Rockdale where the trailer is currently stored. Confirm with David Finchum if you will be able to help.

David will speak with Erik more about the PO Box & what mail Erik is currently receiving addressed to his home.

We need to update the TSSCC website with current information or go a new website. There is outdated information from 2016 still out there.

#### **Schedules & Sites;**

We are set for Grissom, payment has been made for April 28<sup>th</sup> and 29<sup>th</sup>. David will touch base with Half Moon for the evening of the 28<sup>th</sup>.
