President Emeritus: Bob Lindsay- present

Director: Erik Vandermey present.

VP: Chris Perry, present

President: David Finchum, present

REGULAR REPORTS

Membership, Registration & Administration;

Chris D'Alessio says all is going well with registration. An event will be added to registration for Champaign County. David will talk to Dean and get the cost of the event tomorrow.

Drew said we need new blood. We need to get more people to train to work registration. We also need someone to count on to do worker check in. We usually rely on Daryl for that and needs someone else to take over. Denise Beall volunteered to do worker check in and Pete Maloy volunteered to be back up. Anyone who can volunteer to learn registration please let a board member know.

Equipment, Property & Technology;

Discussed a need for a chairperson for equipment. Someone who can be trained to or knows how to set up the equipment. If you can fill this position and can shadow someone or help out please let us know. Our back up timing equipment does not appear to be working. Chris Perry will reach out to SPS and see if anyone knows anything about repairing. Also the reflectors are missing or torn off. David gave a big shout out thanking those who helped with the trailer clean up. Thank you Pete Maloy & Billy Damhoff.

Need to find out where the trailer currently is. It was dropped off at Daryl's old shop after Grissom.

Daryl talked about getting it over to Rt. 66.

Dave & Erik will discuss a PO Box on Friday at lunch.

Bob Lindsay will be borrowing 100 cones for a company he has been working with to do corporate driver safety.

Schedules & Sites;

Lost July 9th event at Rt. 66. We will be looking for another event to make up for that one. We will look into Autobahn again for the kart and skid pad track. Discussed that Rantoul is open on that date.

Milwaukee and Tire Rack were also brought up. Those are a challenge as far as people driving that far.

Possibly another consideration would be Schaumburg. Pete and Bill are doing an event there on Sunday

and will let us know their thoughts.

Still looking for some course designers. Bob Lindsay and Dave B will take one of the Rt 66 dates and we will need someone for the make up event. Pete Maloy is doing the Oct 14th event. Greg Janulis will do one of the August events. Bob Lindsay will do Sept 9th or one of the August dates after confirming what date Greg is wanting to do. Chris Perry will do Sept 23rd.

Trophies; We need to contact event winners from Grissom for their shirt sizes so we can get them to them.

Sponsors; No one looked at JEGS yet. Bob Lindsay mentioned that Autometer once shared and interest. Chris Perry will reach out to them.

Event Review;

Event # 1 Grissom. Test and tune went well. It was chilly but dry. That evening at Half Moon was not the best. We did not make the \$1000.00 minimum they wanted us to have for giving us the side room. Service was not so good, we will not be returning there next season. The actual race event on Sunday got a bit of a late start. Not having a chief of equipment caused some delays. Course took some time to set up so possibly not everyone got to do enough course walks. There were a lot of wonky turns that when you looked right you did not clearly see the next maneuver. Overall the course was challenging. A few other things that were called out is we did not have a chief of course, the trailer positioning was awful and trailer could not see the start or finish. Even though we had cones set out someone still drove over the timing cords before the race started. Morning check in and tech crew disappeared toward end of check time due to everything running late so they could try to get a course walk in. Big thank you to everyone that came out to help and who participated.

New Business/Old Business;

Nothing additional discussed that is not already noted above.

Announcements;

The Bealls no longer have cars for sale. YAY! Do have some tires for sale, Voxx 15x7 aluminum wheels with like new Direzza Z2's 195/50/R15 (fits Miata) \$800.00

Paul Kolatorowicz is looking to sell both the CRX and Solstice.

Chris Perry is selling '03 BMW E39.

Bob Lindsay is selling tire trailer with utility track box and 2 draw bars for \$200.

Daryl Dupre has a 1934 Chevrolet kit car for sale.

If you would like any information on any of these fine automobiles, please contact the selling parties.
