### REGULAR REPORTS

#### **Membership, Registration & Administration;**

No new members since last report. We have 22 members and 19 non members registered for the first track sprint.

Looking for volunteers to assist with timing for the Corvair Club event at Pheasant Run.

Bill Damhoff was asking how to register for the Rantoul Event with chits or credits. You cannot. Their entry fee is less than ours.

#### **Equipment, Property & Technology;**

Erik gave Pete the trailer plates renewal for July. Trailer will move next July 25<sup>th</sup>. For Corvair Club. We will need a truck for that event for Thursday to drop trailer off on Thursday night. Event is on Friday and will need to pick trailer back up and return to storage (wherever that may be at the time) and return truck Saturday morning.

Discussed that there are issues with the new computers “eating” bandwidth. Christopher is trying to figure out why.

We will probably have to replenish our battery supply after the next event.

We have only four corner flags. We will need some new ones, solid red flags. We will hold off on more cones and use the ones we have for now.

Decals-Christopher D sent artwork to John and K&M for decals but has not heard back from him. Erik has used Sticker Mule and has had good luck with them.

The battery backup we were using for the network reports a fault ground on the generator is causing problems with Pronto thinking network is being lost. Erik and Christopher discussed the UPS being used.

Brought up if we have put any further thought into mounting the tv monitor to display live timing.

We checked on line with EZ Up direct, \$1000.00 on line. We can get a discount being SCCA members.

Erik will check into what it would be with our logo on it. Walmart has a 10X20 for \$200.00. Pete and Erik will approach Chris Gregor one more time about sponsorship when they see him this weekend.

**Schedules & Sites;**

Nothing new.

**Trophies;** New shirts are on their way.

**Sponsors;** Nothing new.

**Event Review;** No events to review since last report.

**New Business/Old Business;**

Discussed set up time for track sprint. Track will go cold sometime before five o'clock.

Timer needs to be picked up from trailer before track sprint event.
