REGULAR REPORTS

Membership, Registration & Administration;

We currently have 46 members registered. First Event for Rt 66 is posted to the website.

We have 21 signed up for Test & Tune and 19 for the event the following day.

Currently 29 signed up for the first Track Sprint of the season.

Agreed on self tech for this season for Track sprint and Auto X.

Need to check with Chris Gregor for use of the trailer for Rt. 66.

Port a John will be ordered tomorrow, Truck already reserved for Grissom. Insurance is underway, sanction form has been given to Gregor.

Jerome will be able to be a safety steward starting in May. He will be shadowing at first SCCA event and at Grissom TSSCC event.

Equipment, Property & Technology;

Ryan cannot make two dates to handle technology and Andy Francis has confirmed he can run computers for those events.

Need to check with Chris Gregor for use of the trailer for Rt. 66. Jerome reached out to Erik and he sent a text to Chris. We will see if we get reply soon or Tom will call Chris Gregor.

Port a John will be ordered tomorrow, Truck already reserved for Grissom.

Will need new batteries for the radios and timing equipment. Need AA and nine volts. Heather will order batteries. Tom will meet up with Heather to get the batteries when they come in and return her numbers to her.

We have run out of weekend really for trailer clean. Will have a few people along with Denise and go through stuff during Test & Tune.

If Dave is getting truck on 22nd we should get trailer picked up too and bring back to Beall's house

Thursday so tires can be checked out first thing Friday morning and be ready roll.

Heather noted that CenDiv training says we must use the NEWEST waivers. They will have to be printed in color. Not sure who should be responsible for getting those or how many we will need. We should primarily be using speed waiver but there are always those who do not have a cell phone capable to getting them to the speed waiver or the user has issues. Heather forwarded a copy of the newest waiver to the TSSCC Board chat. Heather says George Laws is making copied for SCCA, not sure if we will need anything for TSSCC.

Schedules & Sites;

Rantoul is out for this year. Our contact is changing positions and they are not scheduling anything at the site.

#4 Fri August 6th

#5 Sun Sept 19

Friday July 2nd Haggerty Drivers Club & TSSCC Full day of festivities-non point (must join Haggerty Club to participate or we would have to include in the registration.)

Discussed South Bend Region just got their Tire Rack dates. We have not had response for dates but maybe now that they have dates, we might try one more time.

Trophies; Last meeting Christopher D'Alessio said there are still many people that have not responded with jacket sizes yet. We did not do another push on this since last meeting. Would like to be able to get something done and get jackets for those who are trophy winners by the first Rt 66 event. Denise is willing to reach out to those if Christopher provides a list.

Sponsors; Nothing new. We will keep SPS name on web site.

Event Review; No events to review.

New Business/Old Business;

No new business.
