## **REGULAR REPORTS**

### **Membership, Registration & Administration;**

We currently have 60 members registered.

We will be using South track and will bring our trailer just for the fact that all our equipment is in it. Jerome will not be able to work registration because they will be doing Chicago Regions event same day. Ryan should be able to get there before start to set up computer. Registration opens at 1pm. Will have the trailer there at noon.

Need to make sure email goes out with correct times with it getting darker earlier.

We will have jackets and t-shirts this weekend at the event.

Need to make sure Chris Gregor lets Rt 66 know we will be bringing tsscc trailer back that night.

### **Equipment, Property & Technology;**

Need to get with Erik Vandermey to see if he got the trailer sticker.

Still need to get a new air compressor before next season.

### **Schedules & Sites;**

Track Sprint #5 Sun Sept 19 Our contract track time is 4-7pm.

Oct 3 RT 66, John Schwarz says currently we have more BMW club members signed up than Tri-State. This is their last event for the season.

Oct 9 & 10 RT 66.

**Trophies;** We will have the new trophy shirts and the jackets at the tracksprint this weekend.

**Sponsors;** Nothing new.

**Event Review;**

No new events to review since last meeting.

**New Business/Old Business;**

How many drops will there be with Tracksprint? We had five events, but Erik says will be at least one. Jim Vanbladel thinks should be one, Chris Perry confirmed via text he agreed so will be just one drop. It is your lowest placing that is dropped.

Looking for nominations for 2022 President and Vice President.

Last event in October is a Saturday/Sunday 9<sup>th</sup> & 10<sup>th</sup>. Possibly consider Saturday night cookout/drive in movie? How late can we stay Saturday? Could we get an inflatable movie screen and projector rented? How many people would stay to watch a movie?

Heather will check in with Chris to make sure we get the times updated and add about tshirts and jackets and tracksprint.
