REGULAR REPORTS

Membership, Registration & Administration;

Ended season with 35 members signed up. (Leaving in minutes to remember when that time comes for 2023 Membership registration include in MSR Shirt/Jacket size as part of registration.)

Equipment, Property & Technology;

Table for future meeting. License for Pronto this year not sure if it is us or Chicago Region. TSSCC paid for two years in a row and Chicago region paid this year. Will depend on who has first event this year. Since we are all Chicago Region now would Chicago Region pay now. Denise will reach out to Chris Perry and see who our contact should be with them on such matters. We have started the season out before the license expired. There is not an expiration date posted it just stops working. Need to sort out for next year.

Need to make sure we take care of bad tire/spare before we are going to be going anywhere on the highway.

Schedules & Sites;

Double header weekend cuts the cost of weekend membership in half for new participants, insurance saving if people come twice. Possibility of not towing all the way back if we can store at Jeff Kumler's overnight. Need to decide if we want to do Boomers 9/23 & 24 as double header or Sept 24 & Oct 1st two separate weekends.

Any dates that may have events scheduled at Rt 66 dirt track we know we can go elsewhere because we will not be able to schedule there. (NHRA will be at Rt 66 May 19-21st) Nationals at Rt 66 July 14-16. Would be a good time to do Grissom May 20-21st if available.

Roy proposed Sample schedule should look something like

Grissom May

Rt 66 June

Co Event w/Milwaukee July 22 & 23 w/ Milwaukee region (where would this be? Jerome went back in past chats and it would be at Road America)

August TBD

September Boomers two dates

October TBD

Also Consider a co Event w/Champaign Region at Rantoul (A lot of manual work with timing as they do not run Pronto and did some reclassing the day of.)

We can keep conversation going off line on board chat.

Trophies;

Christopher has a design ready to go for last year. We need to probably change vendors for the Top 10. We will not be able to combine the top 10 to get enough of a discount.

Need to look into T-Shirts for awards for 2022. Typical two to three week lead time from approval for the vendor that Christopher has been using. There have been issues with Jerome trying to pay direct instead of paying Christopher back when he paid. Lowest amount of t-shirts that his place will do is 18 so wouldn't be able to do the top 10. Custom Ink was one we have used for low volume.

Sponsors; Nothing at this time will table for future meeting. Need to make sure we know sponsors. Reach out to Omar at Dyna Tyre.

Event Review; None at this time

New Business/Old Business;
