## **REGULAR REPORTS**

### **Membership, Registration & Administration;**

Does the number changes with SCCA change anything for Christopher with event set up. It will change somethings with the number pool but not much of change.

Some of the fees for SCCA are going up. We need to adjust and be somewhere in the middle with Track Sprint costs. We don't really want to exceed \$100 or \$120 for a Track Sprint event. Heather has advised we have not received price breakdown from Autobahn yet. That group will be meeting on the 18<sup>th</sup> of this month. We could have more information at that time. (Need someone for corners 4 6 & 8 and can put our own person at 9 possibly, we need Emergency, etc. all things to consider.) Everyone seems to be getting 3 hour windows. We would like to make sure all the novice groups get all their runs in. Not sure how we will make sure of that but do not want to lose people from this group because they continue to get shorted.

Discussed membership fees remain the same but may need to increase some entry fees. We will need to make sure we are really clear on cancelation policy and no shows.

### **Equipment, Property & Technology;**

Denise did not reach out to Chris Perry to see who our contact should be with them on matters of Pronto License is it us or Chicago Region? She will contact him after the meeting adjourns. TSSCC paid for two years in a row and Chicago region paid this year. Will depend on who has first event this year. Since we are all Chicago Region now would Chicago Region pay now. Denise will reach out to Chris Perry and see who our contact should be with them on such matters. We have started the season out before the license expired. There is not an expiration date posted it just stops working. Need to sort out for next year.

Still need to make sure we take care of bad tire/spare before we are going to be going anywhere on the highway.

Helmets for 2010 are now out! 2015 will still be accepted. (Christopher though 2005 were still grandfathered in. Will need to double check.)

### **Schedules & Sites;**

Tentative not confirmed

Are there any Track Sprint dates available in April?

6/11 Track Sprint Autobahn South Track

7/8 Grissom Test N Tune

7/9 Grissom AutoX

7/22 & 23 Auto X Co-Event with Milwaukee Region at Blackhawk

Trying for Friday 7/28 for Tracksprint at Autobahn.

8/19 Track Sprint Autobahn North Track

9/23 & 24 Boomers (Wintrust) AutoX

### **Trophies;**

Denise will work on the next week or two for year end trophies. Heather says let her know if I need some direction.

**Sponsors;** Nothing at this time will table for future meeting. Need to make sure we know sponsors. Reach out to Omar at Dyna Tyre. May want to make sure that K&M Magnetics that cares are going to need to have car class letters on the cars so may have an increase in need for letters/classes

### **Event Review; None at this time**

### **New Business/Old Business;**

Roy says Audi Club is interested in getting involved in going to some events and we may be able to get them to join us.

Is anyone going or clicking on the link for the SCCA Convention?

With the new numbers will they need to have the classes on the cars for TrackSprint as well? We have been having a hard time being able to see clear numbers at this event getting letters to be clear will be more of a headache. Numbers and letters must be legible. How will the number pool work between Tracksprint and AutoX as the classes do not cross. Tracksprint would need to be a unique number pool and lean toward no classing on the car. We still have time to review this more.
