### REGULAR REPORTS

#### **Membership, Registration & Administration;**

Remain at 31 members signed up for 2024.

#### **Equipment, Property & Technology;**

David still wants to arrange a sit down with Darryl, himself and Tom and whomever else to discuss in person the future of the trailer. So far have not had the time to do this. Discussed that we need to figure out if the cones that Christopher took (26 cones) from the TSSCC trailer for Chicago Region for Learning Curve were returned to the proper trailers or not. Also need to know if we destroyed any cones when we were at Grissom that would need to be replaced to Chicago Region. Equipment is still out for Track Sprints. Agreed on left over Track Sprint shirts to let go for \$5 each instead of \$10. At this time only 4 shirts sold for Track Sprint 1.

#### **Schedules & Sites;**

Discussion of other sites came up. Bob L. had mentioned at one point a mall in Plainfield. Not sure if he ever got a chance to look at it. Other areas brought up; Alient Energy Center used by Milwaukee Region and Madison Technical College (a lot of guard rails). Amazon parking lots near Illinois/Wisconsin border Racine/Kenosha area. U Line in Pleasant Prairie. David considered we could bring people to join Milwaukee region on August 11. Josh Krolbach is contact. This is the same weekend as the Puru Champ Tour.

Kristin mentioned Jefferson, WI and the Jefferson Speedway. They do Track Attacks & Madison region (not SCCA) does events there & may be something worth looking into.

**Trophies;** We have not ordered. Jerome had previously given the go ahead but we would like to know for sure.

**Sponsors;** John from K&M was at Learning Curve and Heather has been trying to get in touch with him but has not had any response. She was trying to get magnetics for track sprint for June 9<sup>th</sup> &

August 18<sup>th</sup>.

**Event Review**; Nothing new for TSSCC events. Next even August 3<sup>rd</sup>.

**New Business/Old Business**; Heather needed to get numbers from us for Track Sprint for 6/9 & 8/18 for use of our people, timing equipment, help and expertise. Came up with a number of \$500.00 (\$250.00 for each event)

Christopher & Ryan will be at June Event.

Christopher will not be at August Tracksprint event but Andy Francis & Ryan Weddle will be. It is 6 hours on site and can just work or participate. Discounted rate for essential workers at \$50 entry.

Kristin asked about a discount to those willing to learn Pronto so they have more backup. Heather is limited to what she can authorize for a discount.

Discussed we should consider paying rental to Chicago Region for use of their trailer. Our Sponsor put 2 tires on as part of the deal of using their trailer. We will probably need to use three more times.

Tim suggested for Chicago Region events that we shadow their marketing sharing on our site to help promote them as well.
